STATEMENT:

TEN GOOD REASONS TO VOTE FOR BOB LYNN

1. I want to put an end to legislative meetings behind closed doors. Open up the caucus doors and let "the sun shine in" on legislative business.
2. My record proves that Bob Lynn puts principles ahead of politics. I've kept campaign promises, and resisted pressure to put party politics ahead of people.
3. Our kids are important. I will continue to support appropriate funding for K-12 schools, and the University.
4. I support a long term fiscal plan, a spending limit, and a balanced budget.
5. I believe in traditional Alaska Family Values.
6. Our future requires responsible resource development, and building the gas pipeline.
7. My votes are based on a bill's merit, not someone's political party or personality.
8. I make a personal effort to listen to the personal concerns of individuals, and then act on what I've learned.
9. Your constituent concerns are on my mind every time I cast a vote.
10. Proven performance beats promises.

I'm ready and eager to continue representing my neighbors in District 31. I've worked very hard to represent you effectively. Quite honestly, I think I've done a good job. I respectfully request the honor of your vote. Thank you.

Sincerely,
Bob Lynn
